Villas II provides views of the No. 7 hole at Desert Mountain™, a championship 18-hole par-54 golf course that defines this community. Camelot Homes invites buyers to join the interest list at Villas II to be the first to receive updates and notifications when pre-sales commence in March.

Villas II will feature two thoughtfully designed, award-winning floor plans by renowned architect Robert Hidey. These spacious homes will offer two to three bedrooms, 2.5 to 3.5 bathrooms, and 2,768 to 3,305 square feet. Each home will be built with the highest standards of quality and craftsmanship, ensuring an exceptional living experience for future homeowners.

Each home will provide stunning views and conveniently located with direct access to the scenic and serene Desert Mountain golf course. These homes are designed with a lock-and-leave philosophy, making them the perfect choice for those seeking both luxury and low-maintenance living.

Homeowners can choose from three levels of membership at the world-renowned Desert Mountain Club (approval required). These offer access to unparalleled amenities, including the newly renovated Sonoran Spa and Fitness Center, a state-of-the-art tennis complex, 20 miles of hiking and biking trails, and six Jack Nicklaus Signature championship golf courses.

The Desert Mountain Club also offers access to ten distinctive restaurants and grills, perfect for any occasion. Whether you are an avid golfer, a fitness enthusiast, or someone who enjoys the finer things in life, the Desert Mountain Club provides an unrivaled lifestyle experience.

“The response to our first Villas at Desert Mountain community was overwhelming, and the interest in Villas II has been tremendous since we launched it earlier this month,” Co-Owner Julie Hancock said. “Its views over the lush, rolling green hills combined with the world-class amenities and recreational opportunities available at Tonto National Forest and Bartlett Lake offer a truly elevated lifestyle.”

This vibrant, secure community offers much more than just a home – it's a place where residents can enjoy world-class amenities, outdoor adventures, and a peaceful yet active way of life. Learn more at [camelothomes.com](https://www.camelothomes.com).
